About Us

Mitutoyo South Asia Pvt. Ltd., established in 1996 and located in Pune, Maharashtra, India, is a leading manufacturer and supplier of precision measurement systems and metrological instruments. We bring global expertise and advanced metrology technology to serve the diverse needs of the manufacturing and industrial sectors. Our extensive product portfolio includes Measurement System, Roundness Tester, Contour Measuring Instrument, Vision Measuring Machine and so on, high precision tools designed to enhance quality control and streamline production processes. Committed to excellence, we focus on delivering world class products backed by reliable support and training.

With a robust network of sales and service centers across India, we ensure our customers receive timely technical assistance and maintenance services to maximize instrument efficiency and lifespan. Our dedicated team continuously innovates to cater to evolving industry challenges, facilitating improved accuracy and productivity for our clients.

Key Facts

Nature of Business	Manufacturer
No of Staff	200
Year of Establishment	1996
No of Production Lines	1
OEM Service Provided	No

Our Products

Shop Floor Coordinate Measuring Machine

LH-600E Mitutoyo 2D Measurement System

Contracer Contour Measuring Instrument

Laser Scan Micrometer

High Magnification Measuring Microscope

CNC Vision Measurement Machine

Table Top Profile Projector

Coordinate Measuring Machine

Roundness Cylindrical Tester

High Magnification Measuring Microscope

Mitutoyo Micro Vickers Hardness Tester

Rockwell Cum Superficial Hardness
