About Us

We, Altar Life Sciences are a group company of 'Altar Healthcare Pvt Ltd', which was started in the year 1999 as a private Ltd company under the Indian Company Act of 1956 with an aim to promote pharmaceutical products in various forms of dosage. We strive to achieve excellence regarding the development of quality management, production, marketing and client satisfaction. Altar Life Science is a leading pharmaceutical company and is the result of efforts of the professionals who had rich experience in marketing & sales field. Established with the sole motto to ensure Healthier and Longer life lives, we are one of the fastest growing companies focusing on high quality, complete customer gratification and market leading price.

With world class technology as well as a team of strong professionals, Altar Life Sciences has successfully manufactured products (at Altar Sri Labs Pvt. Ltd., Roorkee, U.K. our mfg. plant) that meet the most stringent international manufacturing standards. Expert quality analysts ensure that the systems and processes remain in compliance with the latest GMP standards. The robust R&D environment within the company for both drug discovery and development reflect our commitment to be a leader in the generics space and offer value added formulations.
