About Us

Powersurge Protection And Services is a prime Manufacturer and Supplier of high-quality and durable Earthing Electrode, ESE Lightning Arrester, Hot Dip GI Earthing Strips, Earthing Pit Cover, Copper Earthing Strips, etc. Electrical safety is not an option it is a necessity. Our mission is to protect people, infrastructure, and valuable equipment from electrical hazards such as surges, lightning strikes, and earthing failures. Through our specialized products and dedicated services, we aim to provide sustainable and cost-effective solutions that ensure uninterrupted operations and enhanced safety standards for our customers.

At Powersurge Protection And Services, we are committed to creating a safer and more resilient electrical environment for industries, businesses, and communities across India. Established in Pune, Maharashtra, in 2025, our company has rapidly earned a reputation as a trusted manufacturer and supplier of high-quality earthing and lightning protection solutions. Every product we deliver reflects our passion for innovation, safety, and long-term reliability. We rigorously examined all of the products after manufacturing them in our Pune, Maharashtra, India facilities to ensure that they met the highest quality standards. Furthermore, we have been looking for new and innovative strategies to expand our business and reach out to more potential market clients.
