About Us

Leveraging on our in-depth industrial experience, we, Nobel Engineers, are counted amongst one of the leading manufacturers and suppliers of a wide range of industrial items. The range includes SS Screen for Filtration, Ceramic Gaskets, Ceramic Fiber Gaskets, Ceramic Fiber Papers, Fiber Gaskets, Non Asbestos Gaskets, Metal Anchors, Copper Claded Gaskets and many more. In the year 2000, we started our business in this sector. In engines, boilers, aluminum foundries, furnaces etc., our products find their wide application. The temperature resistance, durability, rust- resistance, abrasion resistance and other such quality attributes of our products are being greatly appreciated in the industry.

Operating from Maharashtra, India, we, Nobel Engineers, laid the foundation stone in the year 2000. We are reckoned in the market, as an illustrious manufacturer and supplier of a diversified range of industrial products. The assortment includes Copper Claded Gaskets, Pipe Flange Gasket, Seal Gasket, Ceramic Fiber Papers, Fiber Gaskets, Metal Anchors, Wire Mesh Filters and more. The manufacturing of the whole of the assortment is done from A-grade quality raw materials that our agents buy from reliable sources of our industry. The quality of the products is regularly checked and improvised so that we can win the satisfaction of clients to cent percent.
