YOUR HEALTH IS OUR PRIORITY

Inventive Medicare India LLP is promoted by **Mr. Shubham Bansal, Vinod Kumar Bansal, Mr. Sunil Aggarwal and Sumant Aggarwal** all pioneers in the field of pharmaceuticals with more than 3 decades of experience in the industry.

Inventive journey began in 2018 with a mission to improve the quality of human life by assuring premier healthcare for the society with good quality and affordable drugs. **Inventive** was started with a modest spread of 10 products and today it has grown to over 150 products covering all the major therapeutic segments. The Brand is driven by qualified and experienced professional who are empowered by the organization to harness their individual talent to the fullest. Emphasis is laid on building team spirit which in turn helps the employees realize their collective potential.

Inventive aims at leaving an undiminishable footprints in the indian Pharmaceuticals industry by penetrating into new and niche areas and business models. there by adding value to the service they provide to their clients as well as customers.

MISSION

We are collectively entrepreneurial and the ethics that dictate our working relationships are an integral part of the company and an important reason behind the success of the company. Our values guide our decision making, define our beliefs and foster a strong **Inventive** culture.

MISSION

To reach people in every corner of the world and touch lives globally as a Leading Provider of Medicines and Healthcare. To strive hard to implement new ideas & technologies to meet unmet needs and provide services to untouchable ends of the world.

A decorative graphic at the bottom of the page features several colorful pills and capsules in shades of blue, orange, green, and white, scattered across the bottom edge with small yellow dots.
