About Us

Chemsol Polymers is a market leader in the manufacturing of premium-grade PU and Epoxy-based compounds, delivering cutting-edge solutions for applications such as industrial flooring, car park coatings, deck coatings, and more. Renowned for quality, innovation, and reliability, Chemsol is a trusted partner across a wide spectrum of industries.

We are a major manufacturer, exporter and supplier of a comprehensive range of products and services includes Epoxy Flooring, PU Floor Coating, Anti-Skid Flooring, etc. Being a prime service provider, we also offer specialized solutions such as Floor Densification, Concrete Floor Polishing, Floor Marking, and Floor Cleaning Solutions tailored for long-lasting performance and aesthetic appeal.

With a strong manufacturing base and a commitment to technical excellence, we serve as a one-stop, end-to-end provider from product formulation to seamless on-site installation.
