About Us

Titan Trading House is a Delhi, India-based trading, supplying, and wholesale company established in 2026. We are engaged in providing quality electrical products, with a primary focus on copper cables and aluminium cables. Our objective is to cater to the diverse requirements of customers by offering dependable products, competitive pricing, and efficient supply solutions.

With a customer-oriented approach, we aim to establish ourselves as a reliable name in the electrical trading industry. We understand the importance of quality and consistency in electrical products, as they play an essential role in residential, commercial, industrial, and infrastructure applications. Therefore, we focus on sourcing and supplying products that meet the varied requirements of our customers.
