About Us

We at Royal India aspire to become the foremost preference of telecommunication centres, R&D centres, institutes, etc., that require latest technology of telecom products. Our young venture is operating as a manufacturer of an extensive range of telecom antennas and related products. This range is encompassing 12dBi Yagi Antenna, SMA Male Connector, Telecom T Adapter, Splitter Jointer, HLF400 Co-Axial Cable, MS Telephone Junction Box and more items that we offer at cost-saving prices. Their high-end performance as per latest norms & regulations make these products worth investing money on. They are perfect for wireless communications and varied industrial applications.

Our visionary leader, Mr. Rohit is determined to take our company to sky high success in the telecom industry. Under his profound guidance, we are continuously bringing innovative products that match newest technological standards. The keen focus of our firm is towards earning the valuable faith of customers in domain and, forging a strong network base across the country in the coming years.

Our ethical and customer driven business practices make us a reliable & convenient stop for the customers to avail any kind of telecom antenna in the shortest span of time. We have facilities for meeting even the bulk, specified or urgent demands of customers without any compromise in process. Thereby, providing them extreme satisfaction with the completion of each deal.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	krone module,Telecom Antenna,rf connectors,coil cord,telephone line cords,network router,rf coaxial cable,dp box,telecom connectors,rf antenna
No of Staff	8
Year of Establishment	2020
OEM Service Provided	No
ProductRange	krone module,Telecom Antenna,rf connectors,coil cord,telephone line cords,network router,rf coaxial cable,dp box,telecom connectors,rf antenna

Our Products

Clamp Type N Male Connector

12dBi Mimo Patch Panel Antenna

3dBi GSM PCB Antenna

2dBi GSM Rubber Duck Antenna

12dbi Omni Directional Antenna With Cable

Industrial SMA Female Connector

Clamp Type N Female Connector

3-4dBi Imported Ceiling Omni Dome

N Male Connector For 0.5 Inch Flex And Super

N Female Connector For 0.5 Inch Flex And

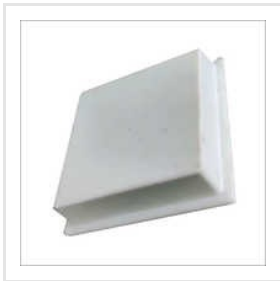

9dBi Imported LPDA Antenna

29dBi Grid Parabolic Antenna

2-3dBi Flat Omni Antenna

14dBi Patch Panel Antenna

12dBi Yagi Antenna

Crimp Type N Female Connector
