About Us

Studio-N belongs to the textile market, which is one of the most competitive yet fastest growing business sectors of the world. We started in 2015, and since then we have been grabbing plethora of opportunities that are available in this business-line. As a manufacturer, we have a huge customer base, which repeatedly gives orders for our Plain Bamboo Fabric, Grey Ghicha Fabric, Printed Handloom Cotton, Plain Handloom Fabric, Banana Silk Fabric, and many other fabrics variety. Each of this has been weaved with precision by our skilled experts, employing the modern tools and machines that we have maintained in our modern premises. Our fabrics are offered in various color shades, sizes and patterns that enhance our ability to fulfill demands of a large number of customers. Furthermore, we are popular in the market for providing Handloom Soft Towels and Mens Plain Kurta in different sizes and colors.

We, Studio-N, are renowned for manufacturing Grey Ghicha Fabric, Plain Bamboo Fabric, Printed Handloom Cotton, Banana Silk Fabric, Plain Handloom Fabric, and many other fabrics. Additionally, we have added a variety of Handloom Soft Towels and Mens Plain Kurta in our portfolio to fulfill the diverse requirements of customers. Each of our collection is developed as per highest quality standards of the industry, hence extensively loved in the market. Our products are praised for their softness, colorfastness, skin-friendliness, and many other striking features.
