## About Us

Established in 2020, Aquawin Technologies Private Limited is a trusted name in the field of water management and treatment solutions. Headquartered in Bhubaneswar, Odisha, India, we are a reliable Manufacturer, Service Provider, and Supplier offering innovative and sustainable solutions for residential, commercial, and industrial sectors. We specialize in designing, manufacturing, and installing advanced systems that ensure water purity, efficient usage, and environmental responsibility.

We provide a comprehensive range of water treatment and recreational water solutions. Our offerings include Residential Swimming Pool, Wastewater Treatment Plants Installation Service, Outdoor Water Fountain, Iron Removal Plant and Sewage Treatment Plant. Every product and service is developed using modern technology and premium materials to ensure durability, safety, and consistent performance.

Our Mission is to deliver reliable, efficient, and eco-friendly water solutions that contribute to a cleaner and healthier environment. We strive to create sustainable infrastructure by combining innovation, technology, and quality workmanship. Our Vision is to emerge as a national leader in water treatment and management, recognized for excellence, innovation, and commitment to sustainability. We aim to set industry benchmarks through continuous improvement, customer satisfaction, and responsible business practices.
