About Us

The ultimate factor to win the trust of the customers is to provide them with the right products at the right time and at the right prices. To make our customers happy and satisfied, our company, Quick Engineering Solutions Private Limited has been putting extreme efforts in the same direction since 2019. In a short time span, we have achieved a noted position for ourselves and become a renowned manufacturer and supplier of measurement instruments. The wide range includes Gas Analyzer, Vortex Flow Meter, Industrial Air Quality Monitoring System, Online Water Analyzer, Weather Monitoring System and more.

The products we are manufacturing are in compliance with the highest quality standards which enhance their performance and durability. Using the high-grade materials, we have designed & developed our products with the efficient usage of the technologies and hi-tech machines. Our company has all the possible resources like technologies, equipment and workforce which empower us to bring forth the best. Here at our firm, all the amenities are utilized to their maximum potential so that they do not get wasted. Under the guidance of our top management, all the operations of the business take place in an organized manner.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	gsm data logger,portable sound level meter,ambient ozone monitor,weather station,indoor air purifier,piezometer,water flow meter,digital water level recorder
No of Staff	19
Year of Establishment	2019
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	As Per Order
ProductRange	gsm data logger,portable sound level meter,ambient ozone monitor,weather station,indoor air purifier,piezometer,water flow meter,digital water level recorder

Our Products

Pm2.5 Sampler

Digital Flow Meter

Flue Gas Analyser

Radar Base River Monitoring System

SL-4030 Sound Level Meter

Online Water Analyzer

Industrial Water Level Indicator

Industrial Weather Monitoring System

Automatic Weather Station Gauge

Automatic Weather Station

NMHC Gas Detector

SPM Opacity Analyzers

Stack Sampler

Dust Sampler

Industrial IOT Smart Box

Ground Water Level Recorder

ADDRESS

H.NO. 350 A, Main Road,
Dhorramafi, Aligarh, Uttar
Pradesh, India (202001).
