About Us

KCPPL is an eminent Trader and Manufacturer of Polymers, Polymer Compounds and Master Batches for PP and PE commodities alongside engineering polymers (ABS/PBT/PC/POM/Nylon). We develop materials, masterbatches and compounds from plastic. Our products are used in various applications, including safety and health products, medical products, automobiles, home appliances, water tanks, household goods, pipes, sheets, 220-litre drums, and blown films.

Konnichiwa Poly Pvt. Ltd. offers the highest grade of Black Masterbatches, Talc Filled Compound, ONGC Opalene PP, and many other products. We are an exporter, manufacturer, supplier, trader, wholesaler and producer, operating from Greater Noida, Uttar Pradesh, India. We have a well managed storage facility that helps us in storing these products and ascertaining their unbeatable quality. This facility also allows us to meet the immediate delivery requirements of our clients. To ensure timely delivery, we maintain strategic associations with reputed logistics companies and ship the ordered products in bulk from our storage facility to the designated destination, right on time.
