About Us

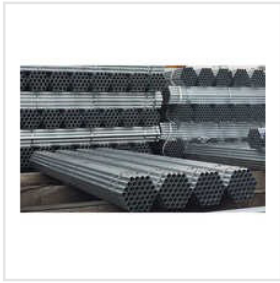

Established in 2007, Kapil Industries is a Mumbai, Maharashtra based manufacturer, exporter, trader, and supplier specializing in high quality industrial metal products. Further, we are also a stockist of JINDAL Sheets, Plates, Coils and Pipes. With years of experience and a strong commitment to excellence, the company has built a solid reputation for providing reliable and durable materials that meet the demanding requirements of modern industrial applications. Our extensive product portfolio include Industrial Flange, Industrial Steel Bar, Buttweld Pipe Fittings, Carbon Steel Products, Monel Products, Inconel Fittings and many other essential engineering materials.

We focus on delivering products that combine strength, precision, and long term performance. We carefully source premium raw materials and implement strict quality control measures throughout the production and supply process. Our team of skilled professionals works with advanced manufacturing techniques to ensure that every product meets industry standards and client expectations. This dedication to quality helps us supply dependable solutions for sectors such as oil and gas, petrochemicals, power generation, construction, marine, and heavy engineering. Customer satisfaction remains at the core of our operations. We understand that every industry has unique technical requirements, and therefore we aim to provide customized solutions that support efficient and safe operations. Our knowledgeable team works closely with clients to understand their needs and deliver the most suitable products within the required timelines.
