About Us

We, Farms Jaivikagri Private Limited, are popular in the market for providing a wide range of natural and residue-free food products. As a manufacturer and trader, we offer over 150 different varieties natural products, such as plant extracts and health items. Our showroom comprises Naturheals Castor Oil, Turmeric High Curcumin Capsules, Dry Ginger Powder, Multiflora Honey, Natural Kodo Millet, Wood Pressed Coconut Oil, Virgin Coconut Oil, Naturalheals Moringa Oil, Pure Mouth Freshner, Ragi Cookie, Finger Millet Ragi Rice, etc.

We perform business tasks with the mission to liberate individuals from chronic lifestyle diseases due to the use of pure plant extracts as dietary supplements. Our offered supreme quality extracts have the ability to increase immunity. These extracts fend off or repair damage that is caused of physical maladies, and thereby they promote the natural healing. At Jaivik Farms, each product we offer is carefully chosen based on its own value proposition. With the assistance of our panel of doctors and subject matter experts, we conduct a thorough investigation, analysis, and validation. Every product that we Jaivik Farms offer is the result of months of investigation and development.
