About Us

Adinath Plast, we aim to provide our customers with a range of plastic food packaging products that can be used for food packaging purposes. Established in 2019, we are rising as a Manufacturer, Wholesaler, Trader and Supplier of all types of plastic food containers, IML (in mould labeling) containers, Plastic Glasses, Press fit and locking Sweet Boxes, IML Press fit Glass, Plastic Round Containers, Plastic Square Containers, Wooden Spoons, Wooden Stick and many more disposable products. These products are 100% virgin and reusable. These products are manufactured using BPA free raw material of plastic and premium quality wood with the use of advanced moulding machines under the supervision of our manufacturing experts. Our products are loved by our customers for being attractive in looks, odor-free, splendid in finish and light in weight.

With the aim of providing customers with a range of qualitative products, we at Adinath Plast, began our operations. Located in Ahmedabad, Gujarat, We are manufacturer, supplier, trader and wholesaler of plastic food container, IML container and many more items. These products are widely used across the market for packaging and food serving purposes. With our focus on maintaining the quality of our products, we are able to provide our customers with optimal satisfaction. Additionally, we have maintained a warehouse that enables us to effectively keep a stock and have track of our sales activity. The tracking allows us to analyze the sales rate and keep a steady stock of goods in our warehouse for meeting the market demands.
