About Us

We, Apex Polymers, are a business that has been presenting a broad range of goods in the marketplace. Since the beginning of our business activities in the year 1996, we have established ourselves as a reputable manufacturer, supplier and exporter of many various kinds of products. Clients can purchase from us PTFE Molded Sheet, PTFE Bushes, PTFE Solid Ring Gasket, PTFE Rod, PTFE Pipe, and many more top-notch products. We always make sure that every batch we manufacture is put through the strictest quality checks before being approved for distribution to the customers. In order to ensure that our customers continue to return to us with new requests, we have always ensured that the pricing of our products is kept reasonable and in their best interests. In addition to providing the highest quality products to the customers, we make sure to treat all of them with highest respect and honesty.

Our company, Apex Polymers is situated in the city of Mumbai, Maharashtra, India, and from here we deliver highest quality products such as PTFE Balls, PTFE Skived Sheets, PTFE Gland Packing, PTFE Tapes, etc.
