## About Us

With the slogan- Care is our Concern, Vidharbha Pharma LLP is a pharmaceutical firm founded in May 2018 as a limited partnership corporation by a group of knowledgeable individuals with backgrounds in pharmaceuticals and healthcare. We specialize in trading and sourcing medicinal items such as Compound Sodium Lactate Intravenous Infusion, Ceftriaxone and Sulbactam for Injection, L-Glutathione and Vitamin C Tablets, 10 ML Bio Pro PRP ACD-Gel Vacuum Tube, etc., both generic and branded. We are engaged in the local and international delivery of high-quality pharmaceutical products made by renowned Indian pharmaceutical firms that have received approval from global regulatory bodies, including the US FDA, WHO, UK MHRA, GMP, etc. Mumbai, Maharashtra, is where we have our headquarters.

We have great expertise in bringing specialty and generic pharmaceutical tablets, injections and infusions. Over 15 companies renowned in the Global Pharmaceutical Industry support us in bringing forth the best range of medicines for treating mild to chronic ailments of common masses. With their support, we are showcasing a comprehensive line of pharmaceuticals. Every year, we sell many pharmaceuticals in both Indian and International markets and obtain customers' recommendations for supplying branded, supremely effective Pharma products and professional services. We deal transparency with national and international healthcare institutions and retailing companies and benefit them by charging highly competitive prices for our offerings. Through the supply of premium pharma products, we have registered our name in top supplying companies not solely in Indian but also International market.
