About Us

To ease the process of measuring glucose, blood pressure and other vital bodily functions, we at Aum Medicare provide a wide range products. We have grown tremendously in business and are now regarded as a reliable trader and supplier of Blood Sugar Monitoring System, Contour Plus Blood Glucose Monitoring System, BP Care Monitor, Freestyle Glucometer, and allied products. Our products are highly advanced and enable users to track their vital statistics, along with accessing the past data. They are user-friendly in functions and hence extensively bought by customers to be used in homes, nursing homes, clinics, and hospitals.

We have partnered with reputed companies who stand on top of industry due to their understanding of the market needs, products innovation, and quality control approaches. With support of linked companies, we procure and supply highly advanced products.
