About Us

Spark Impex, established in 2024 and based in Bhayander West, Maharashtra, is a dynamic trader, exporter, and supplier specializing in pharmaceutical products like Avanafil Tablets, Baclofen Tablets IP, Pregabalin Capsules, Labetalol Injection IP and so on. We are committed to delivering superior quality medicines that comply with international standards, ensuring safety and efficacy for our global clientele. Our business philosophy revolves around transparency, ethical practices, and customer satisfaction, enabling us to build strong, long lasting relationships with clients worldwide. We source our products from reputable manufacturers known for adhering to stringent quality protocols, ensuring that every product meets exact specifications.

Guided by the visionary leadership of Miss Priyanka Gaurd, we are equipped with a skilled team dedicated to providing seamless service and support. Our efficient logistics and supply chain management ensure timely deliveries while maintaining product integrity. We continually strive to expand our product portfolio and markets, focusing on quality, innovation, and reliable service. Spark Impex values customer centricity and aims to be a trusted partner in enhancing healthcare outcomes globally by providing access to essential pharmaceutical products at competitive prices. Our commitment to excellence and integrity positions us as a preferred choice in the pharmaceutical export industry.
