## About Us

TREELAB is the official brand of Shiv Industries which has emerged with an exclusive range of innovative, eco-friendly and non-toxic High Grade WPC Boards, Printed WPC Boards, HDHMR Boards, High Grade WPC Door, Prelam WPC Doors, WPC Door Frames, Marble Laminates, etc. that have been highly appreciated by the commercial as well as residential sectors.

The increasing demand for such products carved out of the woods is encouraging the felling of around 7 billion trees every year. In order to overcome this confusing situation, TREELAB innovatively designed a collective range of products that are considered substitute to wood, durable, and with high performance.

Situated in Panipat, Haryana, Shiv Industries is a famous and reliable manufacturer and supplier of Metallic Laminates, Fabric Edge Band Tape Boards, and Sparkle Edge Band Tape Boards, Prelam WPC Boards and WPC Door Frames, which are made for modern construction and are aesthetically pleasing and long-lasting. All these products found their usage in residential and commercial industries for different construction purposes. Our organization is committed to quality and innovation, and it helps us in providing the customers with dependable goods that satisfy industry requirements.
