About Us

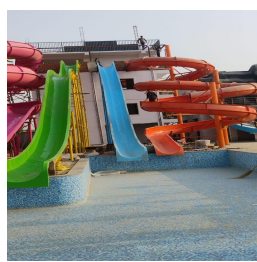

Jupiter Fun World is a designer and manufacturer of amusement park rides and games that are both safe and colourful. For the complete safety of the general public, the quality of each creation is confirmed before the installation. Our Kids Multi Play Station, Family Water Park Slide, Outdoor Water Park, Egg VR Game, and other offerings are put through rigorous safety, design, and technological evaluations. As a result, we are able to match the exact needs of our large customer as a reliable supplier. Upon clients requirements, we may also personalise our park rides to ensure maximum safety.

We are well-known not only for our exciting rides and games, but also for our great professionalism and honesty. Our organisation exemplifies professionalism, treats all clients with respect, and promptly replies to their inquiries. Furthermore, we constantly keep our promises and never make false claims. Along with our offered range, we provide installation service to our clients only.
