INDUSTRIAL REVERSE OSMOSIS SYSTEM

About Us

At NEWater Technologies Pvt. Ltd, we have been researching the steady necessity for water purification solutions and completing them with our technologically advanced goods. We have been a prominent manufacturer and exporter of the finest variety of water purifying solutions since our foundation in the year 2002. Oxen Aries RO Model Water Purifier, Domestic RO Filter, Fully Automatic Reverse Osmosis Plant, Reverse Osmosis Water Filter System, Water Softener Pressure Vessel Plant, Automatic FRP RO Plant, and other related items are all part of our extensive assortment. Furthermore, our products are utilized for a wide range of end user applications, including drinking, commercial, and particular end user applications in houses, schools, restaurants, hospitals, apartments, mosques, temples, poultry farms, community halls, and green houses among others.

The primary objective of every water purification system manufacturer is to significantly improve the market usefulness of its products. We, NEWater Technologies Pvt. Ltd., have established ourselves as a trustworthy brand in the market which offers the finest quality water purification products. Our unique product line, which includes Industrial Reverse Osmosis Plant, RO Membrane, Crystal Dolphin Water Purifier, Industrial Reverse Osmosis System, Domestic Reverse Osmosis Purifier, Aqua Grand RO Water Purifier, etc., is designed keeping the newest technology developments in mind. Our product line is precisely produced at our facility, which is located in the city of Rajkot, Gujarat, India. In addition, we make certain that all our goods are tested in compliance with best quality norms.

Key Facts

Nature of Business	Exporter
Primary Competitive Advantages	RO System Plant, Reverse Osmosis Plant system, Industrial RO system Plant, Industrial RO water system, Commercial RO water system Plant, Sewage Treatment Plant, Effluent Treatment Plant , Water Softening Plants, Softener, Swimming Pool Filtration Plants
No of Staff	12
Year of Establishment	2002
OEM Service Provided	No
ProductRange	RO System Plant, Reverse Osmosis Plant system, Industrial RO system Plant, Industrial RO water system, Commercial RO water system Plant, Sewage Treatment Plant, Effluent Treatment Plant , Water Softening Plants, Softener, Swimming Pool Filtration Plants

Our Products

RO Pump

AWS Membrane

Magnetic Water Conditioners

One Tap Water Filter Purifier

RO And UV Water Purifier

Wall Mount Water Filter Purifier

Oxen Aries RO Model Water Purifier

Crystal Dolphin Water Purifier

RO Water Purifier

Domestic RO Model Water Purifier

Aqua Guard Water Purifier

Domestic Reverse Osmosis Purifier

Domestic RO Filter

Water Treatment Plant

Alkaline Water Ionizer

RO Membrane
