About Us

Various types of hardware products such as bolts, nuts, washers, etc., are always in demand and our company, Sanju Traders analysed it. We have been completing the high demands for hardware products with our diversified collection. Back in the year 1991, we began working as a manufacturer, supplier and exporter of the most unique range of hardware products. Over the years, our reputation in the market has greatly risen and it is because of our superior quality product collection. Customers can avail Industrial Hexagonal MS Nut And Bolt, MS Metallic Grey Hex Nut, MS Half Threaded Hex Bolt, MS Collar Nut, Truck Gear Lever Ends, Industrial Mild Steel Bolt, and many other high quality yet reasonably priced products from us.

Hardware products have always been in great demand in various industries, and we founded our company, Sanju Traders to fulfill them with our one-of-a-kind assortment. We have grown into one of the most well-known businesses, capable of providing the highest quality hardware goods. We have our manufacturing facility situated in the city of Ludhiana, Punjab, India, where we produce high-quality products like Industrial Half Thread Hex Bolt, Forged Fitting Hex Nut, Round MS Washer, Industrial Mild Steel Nut And Bolt, Industrial Nylock Nuts, Truck Tie Rod Ends, and so on. In order to assure complete satisfaction of all our customers, we also make an effort to be polite and honest while conducting business with them.
