About Us

Arlon Plasto Innovations is a highly regarded company that specializes in the production and distribution of premium plastic and piping solutions. We are a reliable manufacturer and supplier of UPVC Nail Clamps, CPVC Nail Clamp, PTMT Short Body Bib Cocks, Waste Pipe, HDPE Wall Plug, and more. Our unwavering dedication to innovation and customer satisfaction has positioned us as a prominent leader in the industry. We offer a comprehensive array of products designed to serve various applications, effectively addressing the diverse requirements of our clients across multiple sectors.

We prioritize precision engineering and stringent quality control to ensure that our products adhere to the highest standards. By employing cutting-edge technologies and high-quality materials, we create durable, reliable, and cost-efficient solutions suitable for residential, commercial, and industrial applications. Our products are engineered for user-friendliness, long-lasting performance, and resistance to wear, making them the preferred option for customers in search of trustworthy and sustainable solutions.
