

PVC Wall Mounted 2 Way Bib Cock

Product Brochure

Product Overview

The PVC Wall Mounted 2 Way Bib Cock is an essential component for efficient bathroom fittings, combining functionality with a sleek design. Crafted from durable PVC plastic, it ensures longevity and reliable performance in daily use. Its elegant white and yellow color combination with a glossy finish adds a sophisticated touch to modern bathroom decor. The round, compact 1/2 inch design offers smooth water-flow control with dual outlets and is suitable for both residential and commercial applications.
