About Us

Packart Exim Private Limited is a trusted manufacturer and supplier of seamless quality Automatic Cutting Portioning and Shaping Machine, SS Multihead Weigher Platform, Industrial Ribbon Blender, Pneumatic Liquid Fill and Seal Machine, and Collar Type Cup-Filler Machine With PLC among several others. We are headquartered in Faridabad, a major business hub in Delhi/NCR region. Ever since the start, we have been working with a focus on achieving total customer satisfaction. Because of such an approach, we have received huge appreciation from our clients, such as Baba Food Products, Goldie Masala, Ritu Products, MDH Group, Raj Food, Royal Food, Megha Confectionery, and Mighlani Foods.

Our hi-tech machines are used in the factories for commercial packing of different food materials. We are reckoned as one of the biggest manufacturing company of the aforementioned products. The machines are known for unmatched functions, greater efficiency, and low cost. We provide impeccable packing machines to customers in the food, beverage, and pharmaceutical industries. The machines require less maintenance as they are made of high-grade components and parts. With our machines, we are seamlessly serving customers in the aforesaid industries.
