Each blend has been specially formulated to impart the genuine taste to various Indian food preparations. Decades of research has gone into preparing these blends needed in specific and classical Indian dishes. Indian traditional cookery is free of preservatives and artificial flavor enhancers. our spices does not use these synthetics.

Provide our customers with high quality of spices which they can use in their food to make it more delicious.

We do this by sourcing, processing and delivering single spices to mixed masale, small sachet to large packets, which can be used in small houses as well as in big restaurants which is economically efficient and quality consistent way .

Because we deliver

“प्यार के साथ स्वाद भी “
