About Us

When it comes to the finest grades of chemicals, oils, solvents, and allied products, we, P S Sumukha Pvt. Ltd., are the leading choice of many clients. Operating from Thane, Maharashtra, we are dealing with Bitumen Black Barrels, Industrial Fuel Oils, Chemical Mixed Solvents, Furnace Oils, Light Green Diesel Oils, and many other products. Today, we have become a noteworthy trader, supplier, and wholesaler of these products that are sourced from reliable manufacturers and rigorously examined in accordance with industry standards. Since our inception in 2009, we have been supported by a hardworking group of experts whose contribution to impressive sales graphs has helped our company attain a new level of success. We have hired enthusiastic sales representatives, quality auditors, and procurement agents who are committed to achieving excellence in their particular fields. Additionally, our sincere business dealings and superior logistical solutions have helped us in attaining the utmost gratification of our clients and hence immense success in the Indian market.

With 14 years of experience in the industry, we, P S Sumukha Pvt. Ltd., stand out of the competitors as a reliable wholesaler, supplier, and trader. Our product range includes Tyre Pyrolysis Oils, Ethyl Acetate (Liquid), Light Diesel Oils, Industrial Fuel Oils, etc. These are sourced from dependable and authentic vendors in India. It allows us to offer them in different concentration levels and compositions which meets the application requirements of our clients. We are based in Thane, Maharashtra from where all the requirements of clients are fulfilled in a timely and quality-conscious way. For the management of the entire business, we have modern facilities in Maharashtra. The facilities are managed by a team of skilled personnel, who have good experience in the industry.
