About Us

Kritti Wash Equipment Private Limited was founded in 2021 and is a manufacturer and exporter of Vehicle Washing System, Automatic Car Wash Machine, Automatic Water Treatment Recycling Plant, Car Drying Arch System, and other products. Our professionals ensure that all these are made in accordance with the national and international standards. This is the reason our products are widely appreciated by the customers. We direct all of our activities toward meeting the requirements of our customers by supplying them with high quality products that meet their needs. Furthermore, in order to maintain healthy relationships with our customers, we adhere to ethical business policies and maintain absolute transparency in all of our transactions. Because of this, we have gained the substantial trust of our customers within a year of business operation. This trust of customers motivates us to innovate our products according to the requirements of the dynamic market.

We are grateful to our mentor Mr. Kuldeep Singh, whose exceptional knowledge and expertise have been one of the most valuable assets to the company. Because of his consistent support and direction the team has been successfully achieving various business goals.
