About Us

Fashion Accessories India Pvt. Ltd. is a top garment accessory and trim manufacturer in India. We are part of the RCBC group, which is one of the biggest denim fabric distributors in India. We are a reliable manufacturer and supplier of Brass Metal Clips for Jeans, Zinc Alloy Metal ID, PU Label For Jeans, PU Label with Canvas Tape, Non Tearable Paper Labels, and more. We produce a variety of sustainable, organic and vegan trims. From responsible sourcing of raw material to low electroplating and finishing, these products have very little environmental impact. We are dedicated to making the world a better place to live, one piece of clothing at a time.

Fashion Accessories India Pvt. Ltd., founded in 1998, in Mumbai, Maharashtra, India, manufactures and supplies items like Metal Buttons For Jeans, Zinc Alloy Metal ID, PU Label For Jeans, PU Label with Canvas Tape, Non Tearable Paper Labels, and more. Our manufacturing units, covering 70,000 sq. ft. in Maharashtra, constitute India's largest manufacturing units for garment trims. These manufacturing units allow us to offer our clients total customization and end-to-end production of trims and accessories. We have over 400 trained employees and state-of-the-art machines that utilize some of the most sophisticated equipment in manufacturing garment trim and accessories. Our staff and machinery are programmed to check articles at each phase of production so that customers receive a flawless finished product. In-house design, continuous R&D and technology investment enables us to stay ahead of the curve.
