## About Us

From small order quantities to large orders, we, Accuretta Composites, take care of it all with our smart packaging solutions. Many big brands in the industry today place their trust in the range of Standard Paper Sacks, Specialties Paper Sacks, Flexible Packaging Plastic Bags and Flexible Packaging Plastic Reels we offer as a reliable manufacturer, exporter and supplier. We have customers coming to us from the food & beverages, personal care, healthcare, pet care and various other industries. We are happy to take care of their needs, and provide them effective solutions for packaging as desired.

Our design experts are no less than brand innovators. They continually come up with fresh ideas and novel concepts in product design that help us successfully cater to the needs of a large global audience. We have served many types of clients, small to big, and all vouch for how we work as a synchronized team to extend them the best support- from order placement right to the final delivery.

Our premises are located in Bhiwandi in the state of Maharashtra, one of the product manufacturing hubs of India. With our team of designers, quality controllers, market researchers, product researchers, storekeepers, sales managers and others working as one unit from this single facility, we expertly meet the demands for innovative packaging solutions of every type of client.
