About Us

Sun Packaging is a reputed Manufacturer and Supplier of superior and flexible protection and packaging solutions, which protects the products in their storage and transportation stages. Our emphasis is highly on quality, reliability and customer satisfaction, and we serve various industries which include electronics, pharmaceuticals, FMCG, logistics, and manufacturing. We have a variety of products in our line; they are Air Bubble Rolls, Packaging Bubble Bags, Angle Edge Board Protectors, Printed BOPP Packaging Tape and White EPE Packaging Foam Sheets among other one-on-one products.

At Sun Packaging, we realize that packaging is very important in safeguarding goods and improving the brand value. We therefore incorporate high quality raw materials and the latest production processes to produce products that are of good cushioning, strength and durability. Our solutions are aimed at damage minimization, transit losses and enhancement of overall handling efficiency. Our customers in the domestic markets have long-term relations with us by ensuring that we maintain the industry standards and customer expectations. We strive to be a reliable packaging partner by delivering goods on time and being innovative.
