

MEDIQUA INDIA'S NO 1 MADE IN KOREA 7TH GENERATION HYDROGEN RICH IONISER

Mediqua Global – No. 1 AI-Enabled Hybrid Alkaline Water Ionizer with Terahertz Technology Cutting-Edge Futuristic Technology for Consistent Performance

- Engineered for daily use, ensuring proficiency & effectiveness in each drop for the best results.
- Awards – 89 | Patents – 26 | Trademarks – 61 | Certificates – 56 | University Tie-ups – 121
- Certified: 13485, NSF
- Plate Options: 14 / 9 / 7 / 5 / 3 plates with 99.99% Pure Platinum Triple-Layer Coating on Titanium Plates in Triton Chamber.
- Terahertz Technology helps reduce cholesterol block.
- Unique Patented Features
- Front Sliding Door Technology – for ease of operation, unmatched durability, and functionality.
- Designed to reduce power consumption while maintaining peak performance up to 386W.
- Super Advanced Electrolysis System
- Hybrid technology lets you choose pH, ORP, and Hydrogen as per your need.
- Power to Choose & Control Water – Pure, Functional & Customizable.
- Functional Water Options
- 9 Types of Functional Water (pH 2.5 to 11.5): Suitable for drinking, cooking, skincare, bathing, and cleaning.
- 800 pH Program Adjustments: Fully customizable to match input water. (T&C Apply)
- Up to 1850 ppb Hydrogen.
- ORP Display up to -950 mV: Delivers powerful antioxidant & hydration benefits.
- Filtration & Safety
- NSF-Certified Components & Advanced Filtration – Removes contaminants while preserving essential minerals.
- Smart & User-Friendly Features
- Multilingual Smart Voice Assistance (6 languages including Hindi).
- LED Display: Shows pH, ORP, filter life, and flow rate.
- Variants: Tabletop, Wall-Mount, Under-Sink (with Smart Faucet).
- One-Touch Front Door Opening & Easy Filter Replacement.
- Auto & Manual pH Setting Available.
- Reliability, Durability & Hassle-Free Maintenance
- Patented Auto Reverse Polarisation Cleaning Technology – extends plate life & ensures sustained performance.
- 386-Watt SMPS Power System – protects against electrical fluctuations.

Unmatched Warranty Coverage:

- 5 Years on Ionizer
- 25 Years on Platinum Plates
- 2 Years on Faucet (T&C Apply)

ULTRA H2 – MOLECULAR HYDROGEN GENERATOR

Creates Super Antioxidant Water – or shall we say Healing Water!

✓ With Powerful Therapeutic Benefits

🔵 Why Hydrogen Water?

- Drinking just 1.5 L daily of Hydrogen Water is equivalent to consuming:

🍌 79 Bananas	💊 176x Vitamin C
🥕 38 Carrots	☕ 290x Catechin
🍎 516 Apples	🧪 309x Glutathione
🎃 3.7 Pumpkins	🌿 431x Vitamin E
⚡ 863x Co-Enzyme Q10	

- Acts as a powerful antioxidant, prevents brain damage
- Protects against Parkinson's disease & neurotoxic damage

🏠 Overall Health Protection

- Supports liver, kidney, bladder & lung health (T&C APPLY)

Official Address: 72-78 United Metachem Campus

Mundwa, Pune M.S. 411036 India

Contact: +91 83904 23276

Website: www.mediquaindia.com

🧠 Brain & Mental Health

- Acts as a powerful antioxidant, prevents brain damage
- Protects against Parkinson's disease & neurotoxic damage
- Improves mood, depression & mental disorders

💪 Muscle & Fitness

- Reduces inflammation, muscle fatigue & degeneration
- Prevents lactic acid buildup during heavy exercise
- Improves muscular dystrophy & motor performance

⚖️ Metabolism & Weight

- Prevents metabolic syndrome & fatty liver (diabetes/obesity)
- Improves glucose tolerance & insulin resistance
- Helps in weight loss & body fat control
- Boosts energy metabolism & mitochondrial protection

❤️ Heart & Circulation

- Prevents atherosclerosis
- Improves cholesterol balance (↑ HDL / ↓ LDL)
- Enhances heart muscle function
- Provides strong cardio-protection

🛡️ Cancer & Radiation Protection

- Works as an anti-tumor agent
- Inhibits cancer cell growth & blood vessel formation
- Reduces side effects of chemotherapy & radiation
- Improves appetite, kidney health & survival in treatment patients
- Improves wrinkles & skin elasticity (T&C APPLY)

WHY CHOOSE US?

World's Best Made in Korea Water Ionizer

Here are a few exclusive features that make us stand out:

Exclusive Technology & Innovation

- World's Only 7th Generation Ionizer with Hybrid Chamber + Terahertz Technology
- Helps reduce blood viscosity & removes cholesterol blocks.
- UV Lamp Inside – for extra purification.
- All Parts NSF Certified – ensuring global safety & quality standards.
- Medical-Grade Certification – 13485, GMP, ISO 9000:14000, CE approved.

Unmatched Durability & Savings

- Filter Life: 32,000 Litres or 30 Months (others just 8,000 Ltrs or 6 months).
- Cost for 2 filters: ₹13,500 (others: ₹7,500 each = ₹15,000 for shorter life).
- Auto Cleaning System – cleans itself after every 30 litres.
- pH Range 2.5 – 11.5 – widest range for multiple uses.
- 99.99% Pure Platinum Triple Coating (1.56 micron) on 2mm thick Titanium Plates.
- Warranty: 5 Years on Machine, 25 Years on Plates (others: 1 year machine, 5 years plates). (T&C APPLY)

Service & Convenience

- Local Home Service (others require courier to HQ).
- Largest Display – 7.2 inches (easy monitoring & control).
- One-Touch Operation – effortless and user-friendly.

Superior Water Quality & Health Benefits

- Largest Plate Size – delivers 100% Alkaline + Hydrogen + ORP water.
- ORP Display up to -950 mV (others no display, only -300 mV).
- ORP = powerful antioxidants.
- Hydrogen Concentration up to 1800 ppb (others only 350 ppb).
- Benefits: anti-inflammatory, anti-allergic, anti-aging.

Value & Trust

- 9-Plate Machine at the Lowest Price – direct to customer.
- Backed by the World's Highest Selling Korean Brand.
- ZERO DEFECT ROBUST PRODUCT – built for durability.
- 25 Years Plate Warranty (others just 1 year under standard conditions, TDS 70-100). (T&C APPLY)

ADVANTAGES OF HYDROGEN WATER

Powerful Antioxidant

- Neutralizes harmful free radicals
- Protects cells & DNA from oxidative stress

Cellular Health & Energy

- Improves hydration at the cellular level
- Boosts energy production in mitochondria
- Enhances nutrient absorption

Heart & Circulation

- Improves cholesterol balance (↑ HDL / ↓ LDL)
- Prevents atherosclerosis & high blood pressure
- Supports strong cardiovascular health

Brain & Mental Well-being

- Protects against neurodegenerative diseases (Parkinson's, Alzheimer's)
- Reduces neurotoxic damage
- Enhances mood, reduces stress & depression

Fitness & Recovery

- Reduces lactic acid buildup during workouts
- Prevents muscle fatigue & degeneration
- Speeds up recovery after exercise (T&C APPLY)

Skin & Anti-Aging

- Improves skin elasticity & wrinkles
- Protects from UV damage
- Speeds up wound healing
- Anti-aging at the cellular level

Disease Prevention & Healing

- Anti-inflammatory & anti-allergic
- Prevents metabolic syndrome & fatty liver
- Improves glucose tolerance & insulin resistance
- Protects against cancer cell growth
- Reduces side effects of chemotherapy & radiation

Eye & Ear Protection

- Prevents retinal damage & blindness risk
- Protects auditory cells from oxidative stress
- Helps in recovery from hearing loss

Overall Health Benefits

- Supports liver, kidney, lung, gut & bladder health
- Reduces blood pressure & inflammation
- Boosts immunity & oral health
- Extends lifespan naturally (T&C APPLY)

MEDIQUA IONIZER WITH TERAHERTZ (THZ) TECHNOLOGY

Restructures Water Molecules..

- Terahertz waves resonate with the vibrational frequency of water molecules.
- Breaks down large clusters into micro-clustered water (smaller, uniform clusters).
- Enhances water absorption and improves cellular hydration.

Enhances Hydrogen Retention

- Hydrogen gas (H₂) is the active therapeutic component in hydrogen water.
- Terahertz waves may stabilize dissolved hydrogen, keeping it active longer.
- Increases the antioxidant potential of the water.

Improves Energy & Vibration Levels

- Increases the vibrational energy of water molecules.
- Aligns with the body's natural biofrequency.
- Supports cellular energy and overall bioavailability. (T&C APPLY)

Boosts Antioxidant Efficiency

- Modified water structure increases the ability to neutralize free radicals.
- Enhances protection against oxidative stress & inflammation.

Supports Cellular Function

- Optimized structure improves cellular hydration & nutrient delivery.
- Enhances energy production, metabolism, and detoxification.
- Promotes overall health and vitality.

Conclusion

- Terahertz technology has the potential to transform hydrogen water by improving stability, absorption, and antioxidant capacity.
- By amplifying its natural benefits, THz-treated water may provide:
- Better hydration
- Enhanced detoxification
- Improved cellular function & health (T&C APPLY)

Awards - 89, Patents - 26, Trade Mark-61, Certificates - 56, University tie up - 121
