## About Us

The electrical industry is ever-changing, and it is comprised of a broad set of businesses, each of which contributes substantially to the sector in some manner, and our company, Vedant Lights India Private Limited is one of them. We began our business operations in the year 2019 and have since become a well-known manufacturer, supplier and trader of a wide range of electrical items. Customers highly appreciate our complete product line, which includes Crompton High Mast Octagonal Pole, IP 65 Volta LED Flood Lights, Crompton LED High Bay Light, Crompton LED Street Light, etc. We make certain that all of our goods meet the highest quality requirements. The packaging of our products is ensured to be robust so that they may be delivered securely to customers. We also work as a service provider and give the best lighting designers service. Furthermore, our products are offered to customers at fair prices.

In a short period of time, our company, Vedant Lights India Private Limited has built a solid name in the market of electrical products by supplying the best choice of products to a diverse range of customers. We have had such a high level of success because we are always studying and keeping up with newest industrial trends. Mild Steel Street Light Pole, Bajaj LED Flood Light, IP 65 Flameproof LED Light, and the other products we provide are all guaranteed to fulfil the highest quality standards. Furthermore, we have our facility situated in the city of Pune, Maharashtra, India, in which we process our highest quality products and send them to the clients in a timely and secure manner.
