About Us

The prominence of a furniture manufacturing company is mostly dependent on the quality of its products and its level of industry expertise. Thankfully, our company, Salvus Modular Workspace, has been offering a premium range of furniture and has steadily developed to be known by innumerable market customers. Since the incorporation of our business in the year 2001, we have grown into a reputable manufacturer and supplier of a unique variety of furniture. High-quality raw materials are used in the production of our product range, which comprises Anti Vibration Laboratory Table, MS Staff Storage Unit, Wall Mounted Hospital Storage Racks, MS Laboratory Wall Table Cabinets, SS Hospital Square Table, SS Laboratory Island Table, and more. Additionally, we always provide our furniture to customers at the most genuine prices.

We at Salvus Modular Workspace, have been in business for more than two decades, and throughout that time we have constantly provided all of our clients with furniture that are of the finest quality. We start by thoroughly examining the demands of the clients before providing them with the best solutions. By consistently offering high-quality furniture like Stainless Steel Crash Cart Trolley, Lab Table With Reagent Rack, Chemical Storage Unit, Examination Couch Bed, MS Lab Modular Cabinet, SS Hospital Tray, and many more, we have been able to considerably expand our client base. In addition, we carry out the production process precisely in our facility, which is situated in the city of Panvel, Maharashtra, India.
