About Us

Yaadgar Enterprise is a professionally managed manufacturer, trader, and supplier based in Surat, Gujarat, India. Established in 2019, we are committed to providing practical, reliable, and value-driven products that meet the everyday needs of households, retailers, distributors, and businesses. With a focus on product quality, customer satisfaction, and dependable service, we have built our business around understanding market requirements and offering products that combine functionality, convenience, and affordability.

Since our establishment, our aim has been to create a trusted name by maintaining consistent product standards and developing strong relationships with customers and business partners. We believe that a successful enterprise is built not only on the products it offers but also on transparency, responsiveness, and long-term customer relationships.
