About Us

Laid the foundation in 2020, we, Neero Cooltech India Pvt. Ltd. are known as one of the most reliable manufacturing companies in the Indian market. The organization is engaged in manufacturing Cold Storage Rooms, Mango Ripening Chamber, PUF Sandwich Panel, Industrial Clean Room, Hospital Operation Theater, Modern Portable Cabin, etc. which are used in numerous industries for different application purposes. Backed with a group of experienced professionals and modern amenities, we are developing the products in different specifications to suit the diverse requirements of the customers. As a responsible manufacturer and supplier, we value the investment of the clients thus, making sure that only the best quality products are offered to them. Neero Cooltech is the official brand of our company under which we are selling the goods in the domestic market.

Neero Cooltech India Pvt. Ltd. is one of the fastest growing corporations in India which specializes in producing Roofing Sheets, PVC Clean Room Doors, Portable Office Cabin, Cold Storage Roof Puff Panel, Poultry Farm Cold Storage Room and more. Using high grade raw materials, we develop the whole range in accordance with the industrial standards and norms. We have a team of trained professionals who use their expertise for performing the jobs excellently. The company has built a sound operational unit in Pune, Maharashtra (India); where all the day-to-day business activities are executed. With the immense support of our team members, the corporation has been consistently growing in the industry.
