## About Us

We, Krishna Traders, are a well-known business entity that came forward into this business of rubber & rubber products, pipes & pipe fittings and oil seals in the year 2002. Since then, we have been working as a distinguished exporter and wholesaler in the market, engaged in presenting best quality Oil Seals, Flexible Rubber Hose Pipe, Hose Pipe Fittings, C.I. Pulleys, Valves and much more under the brand name 'Ferolite'. The company has been following experts approved trading methodology to meet the high expectations of clients and provide them a comfortable experience.

Our 17 years of popularity has been the result of our strict quality checking policy. This policy enables us to win the trust of our huge customer base and to become their leading choice in the marketplace. It drives our company on a quality centric path, which motivates us to choose the best suppliers and manufactures of the domain as our vendor partners. Further, we have a team of quality controllers who check each and every procured items. With their help, we always deliver a flawless range to clients. Our company is also empowered by a well-integrated warehousing unit, it allows us to stock all the procured items till their dispatch in a safe and systematic manner. It is spacious enough that all bulk quantity of goods can be stored easily.

Krishna Traders is known as the most trusted and profound business enterprise of the market, whose main aim is to provide utmost customers satisfaction to all. Our name is also famous for bringing forth branded PTFE Products, Hose Pipes, Oil Seals, etc. Globally, our company is the leading choice of a large group of customers working in rubber, oil and many other industries. To meet exact demands of each of our clients, we procure a diverse array of products from the most respected vending concerns of the domain. Focusing on delivery of the best, our Mumbai (Maharashtra, India) based company quality test each of our procured batches strictly prior to their dispatch.
