About Us

Established in 2018, Swastik Plywood is a trusted manufacturer, trader, and supplier of high quality plywood products, proudly based in New Delhi, Delhi, India. Since our inception, we have been committed to delivering durable, reliable, and performance driven plywood solutions that meet the evolving demands of the construction and infrastructure sectors. We specialize in offering a comprehensive range of Plywood Board including Shuttering Ply, MR Shuttering Grade Plywood, Shuttering Plywood, Hardwood Shuttering Plywood and other related products. Manufactured using superior raw materials and advanced production techniques, our plywood is known for its strength, dimensional stability, smooth finish, and resistance to moisture and wear. These qualities make our products ideal for concrete formwork and various structural applications.

Quality is at the core of everything we do. Each product undergoes strict quality checks to ensure it meets industry standards and customer expectations. Our team works closely with clients to understand their specific requirements and provide solutions that deliver value and long term performance. With a focus on integrity, timely delivery, and competitive pricing, we have built a strong reputation among contractors, builders, and traders across the region. We continue to grow by maintaining customer satisfaction and consistently delivering products that stand the test of time.
