## About Us

Kad Industries is a well-known organisation known for being a leading manufacturer and supplier of a variety of chemicals. Our offered range includes items like Carboxymethyl Cellulose, Carboxymethyl Starch, Sublimation Coating Powder, Redispersible Powder, Cellulose Ethers, and more. Manufactured using tested and premium-quality raw materials and ingredients, the quality of our products is on par with international standards. Our product range is thoroughly tested based on various parameters to ensure the same.

Moreover, our team of expert specialists has in-depth knowledge of the whole process and the chemical composition of each material. They make sure that whatever leaves the premises of our company is of the best quality. Intending to effectively take care of the needs of a larger audience, we have kept the prices of our offerings as low as possible.
