About Us

From a humble beginning in Assam in 1976 to becoming a national leader in interior panel products, Archidply Industries Ltd. has grown over five remarkable decades. With our corporate headquarters in New Delhi and 2 state-of-the-art manufacturing facilities nestled in the picturesque landscape of Uttarakhand, we've established ourselves as pioneers in creating high quality Plywood Doors Laminates, MDF, and HDF products. What sets Archidply apart is our unwavering commitment to rigorous quality control & establishing industry benchmarks that others aspire to match. Today, our manufacturing excellence spans two cutting-edge facilities designed to meet both domestic and international market demands.

Innovation drives our vision forward. Advanced products like the recently introduced eco-friendly panels have resonated strongly with environmentally conscious customers, reinforcing our role as a pro-planet brand. This dedication to sustainability and innovation has helped us receive the prestigious Industry Trend Setter Power Brand in India Award.
