About Us

Injecto Polymers Private Limited started its manufacturing operations of PP/HDPE Fertilizer Bags, Sugar Bags, Cement Bags / Foodgrain Bags / Rice Bags/ Sand Bags / BOPP Bags / Leno Bags etc. in 2018 with an installed capacity of 5200 MT per annum. In 2020 it doubled its installed capacity to 10400 MT per annum. The plant and machinery installed are of state of the Art technology with strict quality control system. The Bag manufacturing capacity is 35 lac Bags per month. Presently the company has been supplying Cement Bags to Shree Cement Ltd and Foodgrain Bags to the entire rice belt of Burdwan and Local Markets of West Bengal / Orissa / Bihar / Jharkhand etc. Company is also planning to supply Foodgrain Bags to state Government Food Civil Supplies Corporation Limited.

The entire plant has been constructed on land measuring 227 decimal in 2 phases (Phase I & II). The plant is strategically located at industrial hub of Abujhati, Burdwan, West Bengal housing many industries. The plant is also in close proximity to Haldia Petrochemicals limited (about 100 kms) one of the major manufacturer and suppliers of HDPE/PP Granules in the Eastern India.

The sole objective of IPPL is to manufacture and supply "Polyolefin (PP/HDPE) based circular woven tape based sacks required by different industries such as Fertilizers, Cement, Foodgrains, Sugar, Textiles, chemicals etc.

The company is managed professionally with **Sri Ramesh Kumar Rateria, Director** at the helm of its affairs who has an experience of over 30 years in plastic processing industries. The other directors are **Sri Ashok Kumar Agarwal** who has over 35 years of experience in the relevant field and he looks after marketing with **Sri Rajat Rateria**, who has over eight years' experience and is looking after procurement and purchase. The products of the company are well established due to their superior quality and the company is steadily expanding its area of operations. The company has a track record of supplying quality goods in time and enjoys a good reputation among its customers.

Note:

- ★ ISO: 9001 certified
- ★ Having BIS registration for Sugar, Cement and Foodgrain Bags.
