About Us

Ayur Health India is a renowned and reliable name in the field of ayurvedic proprietary medicine production. We have been operating since 2017, with a vision to provide affordable and quality ayurvedic medicines to the masses. Our products are manufactured at highly automated and modern plants, giving us the capability to produce quality products backed by ancient Indian medicinal science. Our products and services include ayurvedic medicines such as Yogendra Ras, Vrihat Vat Chintamani Ras, Vrihat Kameshwar Ras, Swarn Basant Malti Ras, Rasraj Ras, Basant Kusumakar Ras (Special), and online and offline ayurvedic consultation services by an expert ayurvedic medicine practitioner.

Ayur Health India was established in 2017 with a vision to provide the world with the best ayurvedic remedies sourced from the ancient Indian ayurvedic texts. We aim to eradicate myriad health issues in a natural and safe manner. Our philosophy is that the world is one big family, and we, as members of that 'Vasudev Kutumbakam', are poised to serve the world through our ancient medicinal knowledge. Our products are based on the principles of ayurveda, the ancient Indian system of medicine, which has the ability to balance the three doshas of body, mind, and spirit. Our products are manufactured using natural herbs and minerals, which are sourced from authentic and reliable suppliers. Our products are tested for purity, potency, and safety and comply with the standards of the Ministry of AYUSH, Government of India. Our infrastructure encompasses several departments, such as R&D, production, quality control, packaging, warehousing, and logistics. We have a team of qualified professionals who work with commitment and are poised to deliver the best products to our customers.
