## About Us

Safe drinking water has become an essential these days that cannot be replaced. With the increasing number of waterborne diseases, the demand for products like Jiva Smart RO Water Purifier, Aqua Glory RO-UV-UF Water Purifier, RO Water Purifier Membrane, Stainless Steel Water Cooler, Commercial RO Plant, etc. has increased exponentially. To cater to the same, our company, Shail Enterprises, was founded. We are known in the market as one of the leading manufacturers, suppliers, and traders of the above-mentioned items.

As a leading manufacturer, supplier, and trader of Pulito RO Booster Pump, RO Copper Filter, Plastic RO Water Filter Housing, Reverse Osmosis Cabinet, Water Softener Plant, and other products, we Shail Enterprises was established in the year of 2018, in Indore, Madhya Pradesh, India. The perfect specs and longer service lives of our products are well praised. Due to their excellent qualities, the products we have on display are well regarded. Being a customer-focused company, we offer these products in accordance with the requirements and demands of our customers. Additionally, in order to guarantee a defect-free range, all of our goods are evaluated by professionals on a variety of industrial parameters. Our ISO 9001:2015 certification is a testimony to that.
