About Us

Shiva Polymers has been an CPCB approved, eco-friendly recycler for more than 3 decades. We are headquartered in Delhi, India with state-of-the-Art recycling facility equipped with ultra-modern semi-automatic washing and extrusion lines and Industry approved laboratory. As part of our undaunted responsibility towards creating and ensuring a safe and clean environment, we are sourcing and recycling all post-consumer and post-industrial waste from pan-India. Years of experience and unmatched production capabilities has landed Shiva Polymers in the top manufacturers, suppliers and traders of Reprocessed HDPE Granules, Reprocessed LDPE Granules, Cable Compounds, HDPE Pipe Granules, Blue Drum Granules, Etc.

We are a value-driven organization regarded for our extensive capacity, commitment to quality, consistent growth, and exceptional customer service. Our highly committed and motivated team is constantly engaged in trying to see that no compromises are made during the whole process from intake of raw plastic waste to dispatching the finished product.

No of Staff	10
Year of Establishment	1990
OEM Service Provided	No

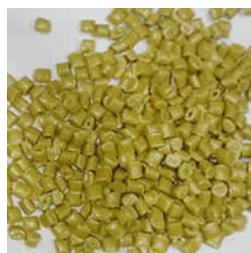

Our Products

**HDPE Green
Reprocessed Granules**

**HDPE Blue Drum
Granules**

**HDPE Yellow
Reprocessed Granules**

**Reprocessed HDPE
Granules**

**Black HDPE Pipe Grade
Granules**

HDPE White Granules

**LDPE Dull Natural
Granules**

**HDPE Red Blow
Moulding - Moulding**

**LDPE Natural Moulding
Grade Granules**

**Black Cable
Compounds**

**LDPE Milky Moulding
Grade Granules**

LDPE Natural Granules

**HDPE Blue Drum
Granules**

LDPE Black Granules

**White HDPE Pipe Grade
Granule**

LDPE Yellow Granules
