About Us

The importance of chemicals in human life cannot be overstated, and the chemical industry produces a variety of chemical compounds for use in industries such as chemical processing, agriculture, food, and catering. Selecting the right chemicals for any given application can be difficult, but not when you work with us. We, Chemico Industries, incorporated in 2020, have gained enormous popularity in the chemical market by consistently providing a premium range of products. Since inception, our company has grown at a rapid pace, establishing its presence as a dependable supplier, trader, retailer, and wholesaler of a wide range of chemicals. Calcium Chloride Powder, White Sodium Sulphate Powder, Dicalcium Phosphate Feed Grade, DMSO Dimethyl Sulfoxide Acid Liquid, Liquid Cyclohexane Chemical, and other products are available with us. We partner with trusted manufacturers that conduct extensive research in order to produce an effective product line.

Our impressive business is driven by our extensive knowledge of the chemical industry and its vital role in the production of a large number of products. As a part of this giant industry, we recognize our job responsibilities extremely well and take great care in delivering high quality chemicals to our esteemed customers according to their specific requirements. In addition to this, we offer our product range in different packaging and net quantities. We also train our employees, ensuring that they are available around the clock to assist buyers in obtaining the right chemicals for both specific and general applications.
