## About Us

In the market demand for various types of kitchen-based products is always rising but the majority of manufacturing companies prioritise quantity over quality. Gladly, our company, M.R. Kitchen Equipment work hard to stand out from the competition by offering the highest quality kitchen-based equipment as a manufacturer and supplier to the customers. Since the founding of our company in the year 2015, we have offered the broadest selection of products, including Stainless Steel Kitchen Hotel Table, Stainless Steel Tandoor Oven, Stainless Steel Mini Barbeque Counter, Four Door Vertical Refrigerator, Non AC Straight Glass Display Counter, etc. We also make sure that every product in our assortment is priced reasonably. We additionally work as a service provider and offer customized manufacturing services of the products.

According to research done by our company, M.R. Kitchen Equipment, the demand for kitchen-based products has increased significantly in the market but we have been completing them with our unique collection. The best raw materials are used in the production of all the products we provide, including Straight Glass Display Counter, Stainless Steel Door Refrigerator, Stainless Steel Three Burner Range, Stainless Steel Tea Shop Counter, Stainless Steel Restaurant Roll Counter, Biryani Bain Marie, and many more. When the manufacturing process is finished, we guarantee that every batch is examined to ensure it satisfies the highest quality standards. Furthermore, every activity is completed efficiently in our facility, which is situated in the city of Kolkata, West Bengal, India.
