## About Us

Products pertaining to the herbal industry are always in high demand because of their natural benefits. In our company, Ekkam Herbal Private Limited, we recognized the significance of herbal products and began offering our expertise in the field. Regardless of the fact that our company was recently established in the year of 2022, we have quickly become a well-known manufacturer, supplier, trader and exporter of a wide variety of herbal products, it's manufacturing units. All the products we provide to the customers are completely natural and free from any harmful chemicals. As we export our products to many different countries, we ensure that each batch of products is properly tested in accordance with the international quality standards.

EKKAM HERBAL PVT LIMITED is a product manufacturing, trading and engineering company engaged in offering a wide range of finest quality herbal, spices and fruit products and also provides complete consultancy of required equipment for manufacturing herbal, spices and fruits products. Mr. Harvinder Singh is one of the Directors of the company having 38 years of experience in product processing and designing of its manufacturing plant/project. Under whose patronage our company has been successful in manufacturing quality products by selecting pure/organic raw materials.

As a producer of herbal products, our company has been totally focused on giving the best solutions to the clients. We have consistently dominated the herbal industry by providing our customers with high-quality products at competitive prices. Customers may get our complete selection of products such as HERBAL POWDER, NATURAL HERBS, DEHYDRATED FRUITS AND PICKLES but the most popular products are CHAMOMILE FLOWER, CHIA SEEDS, MORINGA POWDER, MANGO PICKLES, GROUNDED SPICES and ESSENTIAL OIL ETC.at significantly best quality than other businesses in the market.
