About Us

Shree Kiran Plastics, established in 2023 and based in Vadodara, Gujarat is a known manufacturer and supplier, specializing in selling high density polyethylene (HDPE) items. Our product line includes top notch offerings such as HDPE Blower, HDPE Filter Press Tray, and HDPE Stirrer Shaft. Each of our product is produced by the appointed skilled workers, employing state-of-the-art machines, tools, and facilities. We have gained expertise in developing offered HDPE products in many sizes, specifications, and grades that enhance our ability to meet a large number of customers demands. Furthermore, we are praised in the market for our excellent shipment network and ability to handle even the bulk orders with ease.

Operating as a proprietorship firm, Shree Kiran Plastics serves not only as a leading manufacturer and supplier but also as a collaborative partner for businesses in search of superior HDPE solutions. We provide the finest quality HDPE Filter Press Tray, HDPE Blower, and HDPE Stirrer Shaft. By incorporating quality, innovation and customer focused principles, the company has established itself as a standout player in the industry, setting standards for success.
