

Reliable Quarter-Turn Shut-Off Solutions

Ball valves provide rapid quarter-turn isolation with tight shut-off. Available in multiple constructions, end connections and operator options for demanding industrial service.

3 PC FLANGED BALL VALVE

TECHNICAL DATA

Materials	Cast Carbon / Alloy Steel; Cast Stainless Steel; Bronze
Size Range	2" to 12" (Bronze: 2" to 4")
ANSI Class	150# to 600#
Manufacturing	BS 5351 / API 6D
Temperature	20°C to 180°C
Pressure Rating	Up to 621 bar
End-to-End	API 6D / ANSI B16.10
Inspection	API 598 / BS 6755
Ends	Flanged, Screwed, Butt Weld, Socket Weld

PRODUCT CONFIGURATIONS

2 PC FLANGED

3 PC FLANGED

PNEUMATIC OPERATED

GEAR OPERATED

APPLICATIONS

Petroleum • Power Generation • Chemicals
• Fertilizers • Natural Gas • Fuel Oil Control

OPERATORS

Lever • Gear • Electrical Actuator •
Pneumatic / Hydraulic Actuator

SPECIAL FEATURES

Fire Safe • Jacketed • Extended Stem

REGISTERED & CORPORATE OFFICE

9, Amar Asha Society, Near Ram wadi Bus Stop, Isanpur,
Ahmedabad-382443, Gujarat, India
